## LET YOUR TIMEX COMPUTER WORK FOR YOU!

### PERSONAL AND BUSINESS PROGRAMS FOR THE ZX/81, TIMEX 1000, 1500 AND THE NEW 2068:

Are on cassette, are menu driven, run with or without a printer and save on tape automatically.

#### SALES FILE 16K: TIMEX 1000/1500 with 16K

Will hold up to 150 products with their wholesale and retail prices. — Separates and totals wholesale and retail prices and shows the amount of profit in up to 25 different accounts. — Records inventory automatically or may be changed manually. — Keeps a running total of sales tax. — Has a cash register mode which will identify, total, and add sales tax while it automatically keeps records for your bookkeeping. — If you have a printer you may print a list of products, accounts, your inventory and sales slips.

\*\*\*A must for any small business\*\*\* .....\$14.95

#### SALES FILE 64K: TIMEX 1000 with 64K OR TS 2068 (SPECIFY 64K OR TS 2068 WHEN ORDERING)

Same as above except it will hold up to 600 products for up to 100 accounts. A must for a larger business. ....\$14.95

#### CHECKING 16K: TIMEX 1000/1500 with 16K

Lists up to 25 deposits showing amount of deposit and date entered. — Lists up to 80 checks and displays check number, date and to whom check was written. — Lists by account the total of the checks written to any given account. — Keeps a running total of checks written and the balance left in your account. — Adds interest and subtracts service charges. — Search for a check by check number, name, date or amount to find any check quickly. Prints a list of deposits, accounts, and checks. \*\*\*Great for tax records\*\*\* .....\$ 9.95

#### CHECKING 64K: TIMEX 1000 with 64K

Same as above except lists up to 100 deposits and up to 500 checks. ....\$ 9.95

#### CHECKING 2068: For the TS 2068

Same as above except lists up to 100 deposits and up to 350 checks. ....\$ 9.95

#### INVENTORY 16K: TIMEX 1000/1500 with 16K

May be used for everything from keeping an accurate inventory for your business, to your personal record collection. — Holds up to 150 items with comments for each. — Comments may be used for serial numbers, dates, prices or location. — List all items, search for a single item, change or delete any item. — Sort items. — Prints a list of items, quantities and comments.

\*\*\*Everyone should have an inventory of household items in case of fire or theft.\*\*\* .....\$ 9.95

#### INVENTORY 64K: TIMEX 1000 with 64K

Same as above with up to 750 items. ....\$ 9.95

#### INVENTORY 2068: For the TS 2068

Same as above with up to 600 items .....\$ 9.95

#### FINANCIAL RECORD KEEPER 16K:

##### TIMEX 1000/1500

A home finance package designed to keep track of all household expenses and income. — It also serves as a valuable tool for small business as well. — The user can define and use 20 files of income and/or expenses which may be further defined as tax deductible for future reference if applicable. — You may review this information month by month, by file (month by month), total Year to Date, or by tax deductible entries. — Includes the ability to correct or to change any information already entered without any knowledge of computers or programming. — At end of the year you have a complete overview of your cash flow for the preceding year, as well as a list of tax deductible expenses. Prints all information with a Timex or compatible printer.

\*\*\*Great for tax records\*\*\* .....\$14.95

#### FINANCIAL RECORD KEEPER PLUS 48K:

##### TIMEX 1000 with 48 to 64K

Does everything the 16K version does, plus keeps up to 500 checking transactions. — Automatically reconciles the checkbook with the bank statement. ....\$19.95

#### FINANCIAL RECORD KEEPER PLUS 2068:

##### For the TS 2068

Does everything the 16K version does, plus keeps up to 350 checking transactions. — Automatically reconciles the checkbook with the bank statement. ....\$19.95

#### INVOICE CONTROL: TIMEX 1000/1500

Invoice control is designed to keep track of and print invoices for the small business. This program is self-adjusting according to the amount of memory (RAM) available. A 16K system will accommodate 20 invoices of up to 5 lines each, a 32K system will accommodate 90 invoices of up to 5 lines; and a 48K/64K system will hold 120 invoices with up to 10 lines of details. The program will automatically number each invoice as it is entered, and may be printed out on any Timex compatible printer. In addition to holding the information, the user has the ability to review any selected invoice; get a list of all invoices entered, along with the invoice number, and account; obtain a list of all invoices still showing an open balance; enter additional payments against any invoice; review all invoices written to any particular account; and make changes or corrections to any previously entered data without any knowledge of computers

or programming. Your company's name, address and telephone number is printed on the top of every invoice. This program will start, name itself, and save to cassette automatically. If you upgrade your system at a later date, this program will automatically use the additional memory. ....\$14.95

**INVOICE CONTROL 2068: For the TS 2068**

Same as above with up to 100 invoices. ....\$14.95

**GRADEBOOK: TIMEX 1000/1500**

Has easy prompts for computer novices. — Alphabetizes roster and displays all exam scores — Is limited only by memory capacity — Computes means, standard deviations, variance and coefficient of variation for each set of scores. Absolute frequency distribution for each set of scores — Ranks students by weighted or unweighted average. Standardizes exam means before cumulating final distribution, and standardizes final distribution mean to 500 and standard deviation to 100, only if desired — Built-in routines accommodate printer, but all displays may be viewed on screen also (printer not necessary) — Listable, changeable by user — Friendly, flexible and sophisticated. Some examples of capacities are:

	Students	Exams
16K:	100	15
	50	40
	35	60

	Students	Exams
64K:	150	75
